

Verona High School Baseball at Miller Park

The Verona High School Baseball team will play Kenosha Indian Trails High School at Miller Park on Wednesday, May 17th. In order to participate in this "experience" the Verona Baseball Program is selling Brewers tickets. Please help support this great event by purchasing tickets.

In support of this event we have selected Sunday, April 23rd as Verona Baseball Program Day and would love to see everyone in the program come out to the ballpark with family and friends.
